The Night-Before Checklist

Science fair tomorrow? Breathe. Check these off in order.

TONIGHT: PICK & RUN IT (1-2 HRS)

- [ ] Pick a project you can finish tonight (try a 5-min or 1-hour one)
- [ ] Gather supplies before you start
- [ ] Write your question and hypothesis BEFORE testing
- [ ] Run at least 3 trials and write down every number
- [ ] Take photos of each step (and you doing it!)

TONIGHT: MAKE THE BOARD (1 HR)

- [ ] Print title in BIG letters
- [ ] Print: question, hypothesis, materials, steps
- [ ] Make one clear graph with labeled axes and units
- [ ] Write results and conclusion (was I right? why?)
- [ ] Glue everything on in left-to-right order
- [ ] Check spelling and the teacher's rubric

PACK FOR THE MORNING

- [ ] Board (carry it flat or in a big bag)
- [ ] Experiment or sample to show, if allowed
- [ ] Notebook / worksheet with your data
- [ ] Tape, glue stick, scissors, extra printouts

PRACTICE (10 MIN)

- [ ] Explain your project out loud in 30 seconds
- [ ] Answer: "What would you do differently?"
- [ ] Get some sleep. You did it!
